

15th September 2025

राष्ट्रीय अभियंता दिवस  
2025

National Engineers  
Day 2025

IUAC, NEW DELHI

## Theme- "Deep Tech & Engineering Excellence: Driving India's Techade"

Inter-University Accelerator Centre, an autonomous centre of UGC, Ministry of Education is one of the biggest particle accelerator lab of the country. IUAC provides advanced tools for scientists to explore the fundamental mysteries of matter, energy, space, and time across varying scales of size and speed.

IUAC is going to celebrate National Engineers Day 2025 on 15th September 2025 with the theme "Deep Tech & Engineering Excellence: Driving India's Techade" by organizing lecture series delivered by eminent speakers.

### ABOUT NATIONAL ENGINEERS DAY

National Engineers Day is celebrated on the 15 September every year to commemorate the birth anniversary of Acharya Mokshagundam Visvesvaraya. He was the Civil Engineer who contributed many important things to the field of Technology. His most well-known achievement was the construction of the Krishna Raja Sagar (KRS) dam in Mysuru, on which he served as chief engineer. By observing his contribution and dedication, Government of India awarded him with the prestigious award 'Bharat Ratna' in 1955. Engineers day is an inspiration for everyone to follow Acharya Mokshagundam Visvesvaraya's principals and work for the indigenous development, swadeshi initiatives and growth of nation using his knowledge and skills. He was a philanthropist, patriotic and educator of the country. He believed in simple living and high thinking life style.

**"To give real service you must add something that cannot be bought and measured with money"**

**- Acharya Mokshagundam Visvesvaraya**
